PropTech firm *iTitleTransfer, LLC* introduces "***iTitleTransfer YouTube Channel***" to provide Mortgage Loan Borrowers, Lenders, Loan Brokers and Realtors with information concerning Consumer Choice in the loan closing process.

Both Fannie Mae and Freddie Mac provide Consumer and Lender Choice by authorizing a loan closing process that no longer requires costly and often unnecessary title insurance.

To ensure Consumer Choice as a safe, reliable and low-cost alternative to the title insurance monopoly, *iTitleTransfer* developed the "[iClosing.RealEstate](#)"; a "[Lender Outsource Platform](#)" that represents an E2E process that includes the GSE Attorney Opinion Letter as a component of its closing process.

For platform details, and demonstrated proof of the Platform's safety, reliability and low-cost, please contact Theodore Sprink, Founder and Managing Director of *iTitleTransfer*.
